

AUDESIRK VINEYARDS

Frank Audesirk left a successful consulting career with a vision of pairing Napa Valley's best vineyards with the handiwork of some of the valley's most gifted winemakers. Audesirk Vineyards today realizes that vision making limited, luxury, Napa Valley wines at affordable prices. That method is unique to Audesirk Vineyards. But the wines are classic Napa Valley in character.

Audesirk Vineyards by nature wines are limited release wines. In working with the best vineyards of Napa Valley, they usually have small quantities grown due to their vineyard practices limiting yields to raise quality. That often means our limited production Audesirk Vineyards' wines are not found in many states. In recognition of the difficulty of purchasing Audesirk wines locally, the 100 Wine Club was created to provide loyal wine connoisseurs with our wines on a regular basis.

AUDESIRK 100 WINE CLUB

Audesirk Vineyards invites you to join our exclusive Audesirk 100 Wine Club. Membership first and foremost entitles a member to receive wine samplers four times a year. Each sampler costs \$100.00 (an average of \$33.00 per bottle plus applicable taxes, handling, and shipping), and will include 3 bottles of Audesirk Vineyards' wines, the Winemaker's Notes for the wines, and an exclusive purchasing offer. Members also receive:

- Personal invitations to private events locally and in Napa Valley;
